Change to the Water Buy procedures for 2022

With the new allocation for 2022 RID would like to make sure that all of our customers acreage is up to date by the end of 2021.

RID is requesting for all the 2022 Water Buys now be turned in by December 31st 2021 This will ensure the new Allocation for 2022 will be accurate as possible we would normally not send the Buys out until January but with the new Allocation we are mailing them out in November to give you time to review and return to RID.

Thank you for you cooperation.
