Re: Water Rate Change

We take pride in delivering your water. To meet the rising energy costs of our 2023 budget, the Board of Directors has elected to adjust our water rate. The new rate for irrigation water will increase to \$54 per acre-foot, effective July 1<sup>st</sup> and \$61 per acre foot starting January 1<sup>st</sup>, 2023.

We are committed to good stewardship at the district and ask you to call if you have any questions.

Regards,
